## **Re: Offer of Training/Speaking to Probate Judges/Clerks**

Dear Judge Griffin:

I am writing you in your capacity as Chair of the Probate Judges Training Council. **GEORGIA CARRY.ORG** is a non-profit organization whose purpose is to foster the rights of its members to keep and bear arms. Naturally, the application, processing, and issuance of Georgia firearms licenses are of keen interest to our members.

We have put a great deal of effort into studying the laws and regulations affecting firearms licenses and have several people that are quite knowledgeable on the subject. We would welcome the opportunity to provide one or more speakers to make presentations or participate in panel discussions in any upcoming training sessions you may be planning. While the views of **GEORGIA CARRY.ORG** may not always coincide with the views of you members, I hope you will agree that everyone benefits from learning about and considering such varying views.

If you are interested in pursuing this opportunity, you may contact me directly at [john.monroe1@earthlink.net](mailto:john.monroe1@earthlink.net), or via telephone at 678-362-7650.

Thank you for your attention.

Sincerely,

**GEORGIA CARRY.ORG**  
John R. Monroe  
Vice President
