Dear Mr. Monroe:

Please accept this letter as a follow up to our phone conversation on August 10, 2007. Per our discussion, I have received your letter in regards to the City of Johns Creek ordinance banning firearms in parks. I have agreed to amend our ordinance and remove such language. As I mentioned, this will take some time to get on an agenda to go before Mayor and Council and go through two reads. My goal is to have it on the next available Council meeting which is August 27th for the first read and then on September 10th for the second read. I will keep you up to date on the process.

If you have any language that would assist in amending our ordinance, I would greatly appreciate that.

Sincerely,

William F. Riley
