FOIA REQUEST

Dear FOI Officer:

The national newspaper USA Today published a cover story on Friday, August 8, 2008, that stated, "Airport officials and lawmakers are watching closely as the TSA weighs a request by Hartsfield-Jackson Atlanta International Airport to modify its security program to impose an airport wide ban on guns. It is the first such request to TSA from an airport."

Pursuant to the federal Freedom of Information Act, 5 U.S.C. § 552, I request access to and copies of any letters to and from Hartsfield-Jackson International Airport dated July 1, 2008 or later pertaining to any requests to impose a ban on firearms from the non-sterile areas of the airport.

I agree to pay reasonable duplication fees for the processing of this request.

If my request is denied in whole or part, I ask that you justify all deletions by reference to specific exemptions of the Act. I will also expect you to release all segregable portions of otherwise exempt material. I, of course, reserve the right to appeal your decision to withhold any information or to deny a waiver of fees.

I look forward to your reply within 20 business days, as the statute requires. Thank you for your assistance in this matter.

Sincerely,

Edward A. Stone
President
