**RE: Christopher Puckett v. Kelley S. Powell
United States District of Georgia
Civil Action No: 1:06-CV-2382-BBM**

Dear Mr. Monroe:

As we discussed, the Henry County Probate Court has redacted Mr. Puckett's social security number and employment information from his recently filed Application for Firearms License. To the extent such information has been transferred onto any other forms(s) or record(s), such information has been redacted therefrom as well.

Additionally, Mr. Puckett's Temporary Renewal License is available for him to pick up at the Henry County Probate Court at any time, during normal business hours, upon payment of \$1.00 as provided by **O.C.G.A. §16-11-129(i)**. These actions should obviate the need for a TRO hearing tomorrow afternoon. Please let me know if you disagree.

As to Mr. Puckett's permanent renewal license: We have confirmed that the Henry County Sheriff does not maintain a "live scan" fingerprint device that allows for relatively instantaneous results of the mandatory background checks. Accordingly, we will not be able to perform an "instant" background check on Mr. Puckett.

Nonetheless, the Probate Court will take the actions reflected in the first two paragraphs of this letter immediately.

Sincerely,

Patrick D. Jaugstetter
County Attorney
